Brain Camp

JUNE 6-10, 2016

The Saturday School for Scholars and Leaders in partnership with the Neuroscience Institute at GSU is now enrolling for the 2016 Brain Camp for students in grades K through 8th. In this camp, students will immerse themselves into the fascinating world of neuroscience by exploring the structure and function of the parts of the brain, complete a comparative study of various animal brains, explore optical illusions, have fun with brain games, and much more.

Same as last year: Camp runs from 8:30-3, Cost is $295
