** DEADLINE FOR Spring A 2019 REGISTRATION **
January 23, 2019

Dr. John E. Kesner
Executive Director
Department of Early Childhood Education

Georgia State University
Saturday School for Scholars and Leaders

ABOUT SATURDAY SCHOOL FOR SCHOLARS & LEADERS

Saturday is not your usual day for school, and the participants in the Saturday School program are not usual students. Our wide variety of enrichment classes are designed to challenge participants, K-8th grade. All classes are held on the downtown main campus under the supervision of the Department of Early Childhood Education. The diverse curriculum is structured to offer educational opportunities emphasizing leadership, scholarship and cultural awareness.

Application Process
Saturday School for Scholars and Leaders is designed to meet the educational needs of gifted and talented children. Students may either receive Provisional or Full admission.

Provisional Admission is offered to all students for 1 year. Students receiving provisional admission may register for classes, but have one year from the date of initial application to provide evidence of meeting the admission criteria. Students who do not provide this evidence within the year time limit will not be allowed to remain in the program.

Full Admission to the program requires meeting the specific criteria for admission at the time of first application. In order to receive full admission, all students must have:

- Test Scores indicating a 90th percentile or above on a nationally normed ability or achievement test, or an IQ of 120 or above.
- A recommendation by school personnel or the testing psychologist.
- The recommendation and test scores must be submitted with the application and fee payment. All four components must be received before applicants can be admitted.

Students who have attended previous Saturday School sessions do not have to resubmit test scores and recommendations. Applications will only be accepted by online submission at http://education.gsu.edu/saturdayschool

Tuition Fee
The cost for the session is $195 (5 Saturdays). Please note that a 15% discount is available to Faculty, Alumni and Students of GSU. Only one discount may be applied per class. The Saturday School for Scholars and Leaders program is no longer accepting checks as a form of payment for our classes. Class tuition must now be paid by credit card. We accept Visa, MasterCard, Discover and American Express. Please visit our online application and register there.

Registration/Cancellation Deadline
All applications must be received by January 23, 2019. You are encouraged to submit applications before the deadline. Applications are processed on a first-come, first-served basis. Cancellations must be received in writing before the registration deadline in order to receive a full refund, (minus a $25 processing fee). There will be no partial refunds after the deadline or for missed classes.

Acceptance Confirmation
Confirmation letters will be e-mailed about 5-10 days prior to the beginning of the session. Please feel free to call us if you wish to confirm earlier. Late registrations may not receive a confirmation letter and parents should call for a confirmation.

Photo Release
By completing the registration form, parents give permission to the Saturday School for Scholars and Leaders program, to take photos and videos of their child for use in the program’s promotional activities and on the program’s website.

Spring A REGISTRATION CALENDAR
Registration Opens: December 1, 2018
Registration Deadline: January 23, 2019
Session Begins: February 2nd, 2019
Primary I (K & 1)

STEM
Tomorrow's workforce educated today!!!! STEM Education– a look at designing an aspect that unlocks doors to the future… Let’s ignite the passion to pursue STEM by providing skills to compete. STEM is a different kind of teaching methodology using real world skills ensuring students will have the competitive/challenging edge in the local & global workforce. Therefore, the key is to strive toward delivering a workable/enriched world for our future innovators, educators, engineers, scientists and researchers. STEM engagement will address today’s jobs which has practical & mechanical elements. We will research animal engineers, bridges, coding, Robots & engineering, human body, solar system, math, machines & science topics through projects, modeling, structures, building ALL HANDS ON. Instructor: Dhanu Krishnamurthy, Substitute Teacher & Senior Tutor (Amount of Fee is $10 per student for materials)
Primary II (2 & 3)

Around the World - Part A
Explore French & Spanish speaking countries
Through this fast paced, fun exploration of a multi-lingual world. We will learn new words, experience new cultures and create an impressionist painting. **Instructor: Kimberly Bolivar, Educator- gifted endorsement, French, Spanish, Early Childhood, ESOL, currently teacher on special assignment**

Critical Thinking and Problem Solving
Students will engage in a series of critical thinking and problem solving activities and lessons geared at increasing the ability to conqueror the academic rigor and demands of their classes across all core academic areas including reading, writing, and math. Lessons will focus on depth of knowledge skill sets, independent and group skills, as well as executive functioning skills. Differentiated hands on activities, listen and viewing activities, mazes, clues, fact finding, and 6 step problem solving are just some examples of class tasks. All students will complete the class with a new set of critical thinking and problem solving skills which can be generalized across settings. This class is great for both the advanced and needs based learner. **Instructor: Brandyce Colon, Special Education Administrator and Instructional Support**
Saturday School for Scholars and Leaders

**Middle (4 & 5)**

**How to make money in the Stock Market!**
Have you ever thought about how to make your money work for you in the future? In this class, I will teach you how the Stock Market works. What a Bear Market and a Bull Market are. We will make some simple charts and graphs, and you will learn a fun way to watch your favorite stocks every week.
What is your favorite type of company and why?
We will learn some of the events that drive the market up and down, and how businesses really work on the inside. We will study some local Georgia Companies like Coke, Delta, and Home Depot. We will discuss Logistics and why having the right things available to your customer, drives your business forward. You will be able to pick your favorite and tracks the progress during our class. **Instructor: Reesa Dawkins, Professor University of Alaska, Statistics and Logistics**

**Shark Frenzy**
Let’s dissect a real shark! Biology will come alive as we find out about the anatomy, habits, characteristics and legends of sharks. We will also explore the importance of sharks to our environment. Come and get into a frenzy about sharks!
**Instructor: Gail Boynton Instructor: Gail Boynton, Retired Gifted Program Teacher**
Registration for the Saturday School for Scholars and Leaders program is now completely online. We will no longer be accepting paper applications. In addition, we are no longer accepting checks as a form of payment for any of our classes. Class tuition must now be paid by credit card only. We accept Visa, MasterCard, Discover and American Express. Please visit our online application link given below for registration:

http://saturdayschool.education.gsu.edu/

You can now donate all or a portion of the Saturday School for Scholars and Leaders program tuition to enable a child whose family is struggling financially to participate. For more information and to donate, click on the link below:
